

## Nomination for listing as an Asset of Community Value

Please enter the requested information into the text boxes provided. You can provide as much information as you consider necessary to support your nomination.

### Nominated Land

#### Area to be covered

Please describe the nominated land including its proposed boundaries, exact location, address with postcode and a plan showing the entire site.

#### Ownership

Please state all the information you have on:

- (i) the names of current occupants of the land, and
- (ii) the names and current or last known addresses of all those holding a freehold or leasehold interest in the land;

Please include a copy of the land registry entry and attach recent photo of the proposed Asset.

## **Community value**

Please set out your reasons for thinking that Hart District Council should conclude that the land is of 'community use' having regard to the definition in the Localism Act, 2011:

- a) an actual current use of the building or other land that is not an ancillary use furthers the social wellbeing or social interests of the local community, and
- b) it is realistic to think that there can continue to be non-ancillary use of the building or other land which will further (whether or not in the same way) the social wellbeing or social interests of the local community.

## **Eligibility to nominate**

Please provide evidence that you meet the definition of a community nominator as set out in the Regulations (i.e., a Parish Council or a voluntary or community body with a local connection).

If you are an unincorporated group, please provide a list of at least 21 signatures of those members who are on the local electoral register (you may use the separate sheet below).
