

**THE HART DISTRICT COUNCIL (TEMPORARY ROAD CLOSURE)
(CHEQUERS LANE/UP GREEN, EVERSLEY) ORDER 2011**

Notice is hereby given that Hart District Council pursuant to arrangements made under Section 101 of the Local Government Act 1972 with Hampshire County Council in exercise of the powers of the said County Council under Sections 14(1), (2) and (3) of the Road Traffic Regulation Act 1984 and Regulation 3 of the Road Traffic (Temporary Restrictions) Procedure Regulations 1992, and of all other enabling powers, has made the following Order as the Council are satisfied that traffic (and/or pedestrians) on the road should be restricted because these works are proposed to be executed on or near the road:

Effect of Order:

All vehicles will be prohibited from proceeding along the entire lengths of Chequers Lane and Up Green between the junction with B3272 Reading Road and the junction with B3016 Marsh Lane, as indicated by traffic signs.

The closure and speed limit restriction are necessary on safety grounds to allow for the replacement of a gas main by Southern Gas Networks.

This Order may be cited as "The Hart District Council (Temporary Road Closure) (Chequers Lane/Up Green, Eversley) Order 2011".

Duration of Closure:

From 11th July 2011 for a period of 9 months or until the works are completed, whichever is the sooner. (Notwithstanding the above it is expected that the closure will be required for no longer than 13 weeks). The closure will be continuously enforced during the period specified.

Reasonable facilities will be provided to allow access to adjacent premises while the work is being carried out.

Alternative Route:

From the northern point of closure via B3272 Reading Road and B3016 Marsh Lane to southern point of closure and vice versa, as indicated by traffic signs.

If you have any queries regarding the above please contact Southern Gas Networks on 01252 353535.

John Elson, Head of Technical Services & Environmental Maintenance
