A Vision for Fleet

At
257 Fleet Road (Near Barclays Bank)
on
4th-5th December 2009

Hart District Council and Partners have commissioned various studies into the factors that will affect the future of Fleet High Street. Access, car parking, urban character and adequacy of shopping have all been examined. We are now seeking to bring all the work together into a 20 year Vision for the High Street with the intention of creating a Centre that can meet the challenges presented by competitor towns and provide users with a quality of experience that is second to none.

HELP US TO PLAN FOR THE FUTURE OF YOUR TOWN

Friday 4 December – 2 p.m. – 7 p.m.

Saturday 5 December – 10 a.m. – 4 p.m.

Further exhibitions in the New Year will help develop a preferred Vision that will be incorporated in the future planning of the area.

It's Your Town Centre – please come and see us, and have your say!
