HART DISTRICT COUNCIL

ROAD TRAFFIC ACT 1991

The Road Traffic (Permitted Parking Area and Special Parking Area)
(County of Hampshire)(District of Hart) Order 2002

CHALLENGE to the imposition of a Penalty Charge Notice (PCN)

From 5th June 2002 the Council is responsible for the enforcement of both on-street and off-street parking and waiting. Parking penalties cease to be a criminal offence.

The owner of the vehicle is responsible for payment of the penalty charge and non-payment will result in the owner incurring a civil debt. The process for recovering the debt is laid down in regulations and details are shown overleaf.

The penalty charge of £60 is reduced by 50% to £30 if paid promptly within 14 days. After 14 days, the full charge of £60 must be paid.

The council will respond to an initial challenge or exchange of correspondence before the issue of the Notice to Owner (NTO). Any further challenges or correspondence must be made following the Notice to Owner, as a formal representation to the issue of the PCN. The grounds on which the owner may make representation are specified in the regulations and listed overleaf.

The **challenge** to the PCN **must be in writing**.

Please complete the section below and hand it to the Receptionist retaining the 2nd copy for you. Alternatively, you can write to **Parking@Hart, PO Box Fleet 338, Fleet, GU51 4WH.**
