First Takers for Insulate Hampshire

SARAH and Matthew Cork are currently renovating their new home in Woodcote Green, Fleet. Having moved from a modern, well insulated flat into a four bedroomed, mid-20th Century house they were fully aware of the increased energy consumption and heating bills they could expect. So they were the first people in Hart to sign up for INSULATE Hampshire, a new area based insulation scheme aiming to save residents money on their energy bills while keeping homes warm and comfortable.

The Hart Council backed scheme, in partnership and with funding from Scottish Power was launched in July. It offers cavity wall insulation from £75 for at least the first 5000 householders to sign up and will be £99 after that. Loft insulation is available from £99 where there is currently less than 60mm. Others wishing to top up their insulation can buy rolls of DIY insulation for £49.

Sarah Cork says: "The contractor came and worked incredibly hard for three hours. He was very neat and tidy and even insulated the tank in the loft plus the pipes and laid a board so we were able to access them. We couldn't be more pleased. "

Hart Leader, Cllr Ken Crookes, is pictured with Sarah and Matthew in their loft. He says: "Following a number of climate change initiatives in the past, insulating homes has been identified as one of the most cost effective ways and the Insulate Hampshire scheme is an affordable way to do it"

To register an interest in the scheme call Insulate Hampshire on 0800 952 0037, email enquiries@insulatehampshire.co.uk or

This Year's Fleet Festivities

23rd November 2011

4pm to 9pm

A phenomenal 2010 event saw an estimated eight thousand visitors hit the town for a wonderful night of Christmas Festivities.

We are busy planning an event for 2011 to dazzle the town with Christmas cheer and spirit the likes of which have never been seen before in Fleet.

We look forward to celebrating this magical time of year with you on the 23rd November.

Fleet Road will again be buzzing with attractions and activities to suit all ages, along with the opportunity to nip your Christmas shopping in the bud whilst getting you in the Christmas spirit.

The party starts at 4pm on the 23rd November and closes at 9pm giving you just 5 hours to: have a hog roast, sip some mulled wine, watch the stage show, ride a reindeer, meet Santa, support local charities, see the animal farm, listen to the 1900's musical organ, nibble on a mince pie, ride the carousel, sample the gluhwein

The Continental market will be joining us this year with the normal delicious fresh produce and gifts.

We have also heard that Santa has got the date firmly in his diary and will be making a guest appearance

Under 25? Living in the Hart area? Want to do your bit to conserve local nature reserves?

Join the Conservation Youth Project with Hampshire & Isle of Wight Wildlife Trust and meet new people, learn new skills, build your CV, get awards and get outdoors.

We meet every week for practical sessions and also carry out wildlife surveys, bush...craft skills, countryside crafts, art & photography projects, have barbecues and work towards John Muir Awards. No previous experience is needed and transport is provided.

URGENT WARNING to Householders and Businesses

Traders are cold calling in the Basingstoke, Hook and surrounding rural areas of the County offering tarmac resurfacing work. This work is usually of a very poor standard and the initial low price agreed is then escalated, sometimes to 10 times the initial price quoted. These traders are **NOT** providing any business paperwork and are failing to provide consumers with their statutory right to a seven day cooling off period, which is a criminal offence.

These traders are also targeting business as well.

Trading Standards would advise consumers not to agree to work that is instigated as a result on a cold call or via a leaflet drop. Consumers should obtain at least 3 written quotes from reputable businesses or traders who belong to a recognised trade association, such as the Hampshire County Council Buy With Confidence Scheme. Details of this scheme can be obtained by telephoning 01962 833620, via email at buy.with.confidence@hants.gov.uk or via the website www.buywithconfidence.gov.uk

Traders who agree work at the home of an individual or at a place other than their usual business premises are required by law to provide consumers with a Notice of Right to Cancel, which gives consumers a 7 day cooling off period. Work should not commence until this period has ended, unless written agreement is first obtained from that consumer beforehand.

If anyone has any information about traders who are cold calling or requires any advice on doorstep crime they can contact Hampshire County Council's

Quick Response Team on 01962 833666

(Monday – Friday 0900hrs to 1700hrs)

where specially trained officers are on hand to provide assistance.

If urgent assistance is required outside of these hours please contact Hampshire Police on 0845 045 4545.

The Poppy Appeal and Remembrance in Fleet, Crookham and District

The Royal British Legion's Poppy Appeal for 2011 was launched nationally on Thursday 27 October. This year is the 90th Anniversary of the Legion's formation, so the Legion has set a target of raising £90million in 2011 to mark the Anniversary. A large part of that target is expected to be raised over the next two weeks as Legion members and volunteers carry out collections door-to-door and in the streets.

Currently the Royal British Legion is spending over £1.4million each week on the welfare of current and former members of the Armed Services and their dependants. For example, the Legion has committed £5 million a year to meet the running costs of four Personnel Recovery Centres, including one which is due to open at Tidworth in Wiltshire in April 2012. Each centre will offer wounded, sick and injured Service personnel the very best facilities for recovery. In addition they will give Service men and women the opportunity to learn new skills to give them a better future, whether they stay in the Armed Forces or make a new life in civvy street.

In Fleet, Crookham and District the local branch of the Royal British Legion hopes to beat last year's record-breaking total of £35,000 collected in the two weeks of the Poppy Appeal. House-to-house collections throughout the district will run from 29 October until 12 November and collectors will be out and about in Fleet Town centre on Saturday 5 November, Friday 11 November and Saturday 12 November.

On Friday 11 November (Armistice Day) the Legion and civic leaders will observe the Two Minute Silence in at the Gurkha Square War Memorial at 11:00. Everybody is welcome to join in this act of remembrance of those who have given their lives for this country. On Remembrance Sunday, 13 November, there will be an act of Remembrance and laying of wreath at 11:00am at Church Crookham War Memorial in Galley Hill Road, followed by a service of Remembrance in Christ Church, Church Crookham. In the afternoon at 2:30pm there will be the Civic Service of Remembrance in All Saints Parish Church, Church Road, Fleet. This will be followed by a Parade, at about 3:30pm, to Gurkha Square, where civic leaders and local organisations will lay wreaths at the War Memorial.

For more information, please contact the Branch Chairman of the Royal British Legion, Bill Tyack on 01252 622894.

Alcohol Awareness Week November 14-20

The North East Hants Drug and Alcohol Action Group is organising an across district Alcohol Awareness Week. There will be a number of information posts set up across Hart and Rushmoor where people will be able to pick up information leaflets offering advice and where those with problems or family members can source support. The theme this year is **'Focus on the Family'**.

Says Sammy Hexter-Andrews, who chairs the group: "A lot of families suffer in silence with the heartache that a drink problem brings into the home. It isn't just a problem for the person abusing with alcohol, whether a young person or an adult, but also family members, friends and work colleagues.

"Alcohol abuse **WILL** affect every aspect of that person's life whether they choose to acknowledge it or not. There are people who can help - whether you are the person drinking or the person affected by someone's drinking. We will not judge, we will listen and we will be able to help you help yourself in a safe and supportive environment."

In Hart and Rushmoor the information posts will be at the following venues;
Frogmore Leisure Centre, Hart Leisure Centre, the Harlington Centre in Fleet, Farnborough Leisure Centre, The Princes Mead shopping centre and The Wellington Centre, Aldershot.

The information posts will be there all week. They are unmanned, though there may be a member of the DAAG team on hand for an hour at lunchtime. Members of the public are invited to help themselves to the information leaflets there.

For more information call Sammy Hexter-Andrews on 01252 774123.

Community Safety

'local solutions to local issues from local people'

Graffiti Fight back

The fight back against graffiti vandals has been spearheaded by the 'Safer Hart' Partnership. Graffiti removal specialists were out across the district removing more than 150 pieces during the bi-annual 'Graffiti Busting Week'. Officers from Hart District Councils Community Safety team have been speaking to more than 1000 school children to advise them on the effects and consequences of graffiti and how it affects the whole community. Trading Standards officers from Hampshire County Council have been conducting checks on shops to ensure they do not sell spray paint to those underage. Meanwhile Hampshire Constabulary have been conducting high visibility patrols around the district and encouraging residents to report any suspicious behaviour. 'Safer Hart' have a database of regular 'tags' that appear on their website www.saferhart.co.uk, with the hope that residents may recognise who is responsible.

A recent spate of racist and offensive graffiti occurred two nights in a row across Yateley, with officers removing the graffiti the very next day to the delight of the local community. We rely on residents to do their part, any information on graffiti vandals is greatly appreciated. Graffiti not removed during this event will be given priority during the next event due to be held in March 2012.

Anyone with information on graffiti vandals should contact 101 or Crimestoppers on 0800 555 111. For a collection of before and after pictures visit www.saferhart.co.uk.

Alcohol Awareness Week

Alcohol Awareness Week takes place from 14 - 20 November. Many families suffer in silence the heartache that a drink problem brings into the home. Information posts will be available at Hart Leisure Centre, Frogmore Leisure Centre and The Harlington Centre, where you will be able to access various leaflets offering advice and support and contact details should you wish to speak to someone. For more information contact 01252 774123.

Free Bike Clinic

We will be running our fifth free Bike Clinic for cyclists aged up to 18 in Yateley on Saturday 26 November.

The clinic will be held outside Waitrose, Tresham Crescent from 10am to 12pm in partnership with Hart District Council, the police and Sentinel Housing Association. A volunteer cycle expert will offer advice, carry out free basic cycle maintenance and advise on larger work needed. The machines will also be registered by a member of the Community Safety team on www.bikeregister.com. For more information contact 01252 774229 or visit www.saferhart.co.uk

Crime Report Website

A new website has launched to keep you updated of crime and anti-social behaviour in your neighbourhood. The comprehensive crime mapping site is designed with the purpose of informing communities of what is happening in their area. This will increase community awareness, encourage crime reporting and network neighbourhoods. Please visit www.crimereports.co.uk.

Shots In The Community

Aldershot Town FC's 'Shots In The Community' Trust are looking to spread their work across Hart District.

'The Shots' offer a target ring (pictured above), which can be used at school and village fetes and other events. Half the money raised is retained by the host with the rest being fed back to the trust, allowing their work with young people in and out of schools and those with disabilities to continue.

The 'Shots' also offer free tickets to schools, community groups, charities and other deserving people.

If you would like to invite 'The Shots' to your event, find out more about free tickets or for more information contact 01252 320211 or visit www.theshots.co.uk.
