Effect of Order:

All vehicles will be prohibited from proceeding along the entire length of Heath Lane between its junction with Dippenhall Street and its junction with Dora's Green Lane, as indicated by traffic signs.

Duration of Closure:

From 25th February 2008 for a period of 12 months or until the works are completed, whichever is the sooner. (Notwithstanding the above it is expected that the closure will be required for no longer than 6 weeks). The closure will be continuously enforced during the period specified.

Reasonable facilities will be provided to allow access to adjacent premises while the work is being carried out.

Alternative Route:

From the western point of closure via Dippenhall Street and Crondall Road to its junction with Dora's Green Lane. Turn left here and continue to eastern point of closure and vice versa, as indicated by traffic signs.
