

HART DISTRICT COUNCIL

Local Transport Tokens

This is based on Hart District Council's own plastic transport tokens, which can be used as payment for all or part of a local taxi journey, community transport bus or as a donation on voluntary car schemes. **The tokens cannot be used for Bus or Rail journeys.** Please mention when booking that you will be using Hart tokens.

Tokens are:

- Valid until 31st May 2009
- Blue in Colour
- £1.00 denomination

Only one issue of tokens will be made per application during the period 1st June 2008 – 31st May 2009. Tokens are issued instead of the National bus pass and not as an additional concession. By accepting the tokens you will be waiving your statutory right to the bus pass until 1st June 2009.

The following taxi operators are licensed with Hart District Council and will accept these tokens.
