If you have received a grant before, you may qualify for extra insulation and heating work, depending on the improvements you originally received.

If, at any stage, you have any questions, please get in touch with one of our team on **0800 316 6011**. Lines are open Monday to Friday from 8am to 6pm and Saturday from 9am to 5pm. Or, you can visit [www.warmfront.co.uk](http://www.warmfront.co.uk) for more details.

## Improvements that the Warm Front Grant can provide

### Loft insulation

This is one of the most effective ways to make your home more energy-efficient. We fit two layers of insulation in the loft.

### Draughtproofing

We fit plastic strips to all windows and outside doors. Doors will have plastic strips on the top and the two sides, and a brush on the bottom.

### Cavity-wall insulation

We fill the space between your cavity walls with insulation.

### Hot-water-tank insulation

We check the insulation around your hot-water-tank, and fit a jacket if necessary.

### Energy-efficient light bulbs

We will send you two energy-efficient light bulbs.

### Gas or oil central heating

We install a combination boiler and up to six radiators, including all valves and pipework. We may also repair your existing heating system. In the case of electric heating we will install up to three storage heaters.

### Glass-fronted fire

We can convert your solid-fuel open fire to a glass-fronted fire.

You could receive a grant of up to **£2,700** to make your home warmer

# You're in safe hands

with the Warm Front Team

Warm Front is a government-funded scheme which provides grants to make your home warmer, healthier and more energy-efficient.

The grant provides energy-efficiency advice and a package of insulation and heating improvements tailored to each property. Warm Front Grants are for people who are on certain benefits and own their own home or rent it from a private landlord. This scheme is managed by eaga.

**Benefit Entitlement Check** - If you are not sure whether you're entitled to a Warm Front Grant, call our Benefit Entitlement Check Team free on 0800 072 9006. Lines are open Monday to Friday from 9am to 5pm.

The Warm Front Team helped Mr and Mrs E insulate the loft in their terraced house in Roker, Sunderland.

Could your home benefit from loft insulation? If so, get in touch with the Warm Front Team.

To find out if you qualify, fill in the application form, seal it and return it to us (you do not need to use a stamp) or call us free on 0800 316 6011. Lines are open Monday to Friday from 8am to 6pm and Saturdays from 9am to 5pm.

Let the Warm Front Team find out if you can have a grant.

Each year we help more than 100,000 people across England make their homes warmer.

## Application form

If you need help filling in this application form, call 0800 072 9004 and quote MK764.

Please tick the relevant boxes.

I am not sure if I qualify. Please contact me to check what benefits I am entitled to.
