Dear Sir / Madam

HR695 – Doras Green Road, Crondall – Drainage Improvements & Resurfacing

As part of Operation Resilience, Hampshire County Council's programme to make Hampshire's roads more resilient to the effects of extreme weather and heavy traffic, this letter is to advise of upcoming drainage improvements and resurfacing works on Doras Green Road, and drainage works on Dippenhall Road over the following two phases:

- Phase 1 – Drainage and resurfacing works will take place on Doras Green Road, between High Point and Powderham House.
- Phase 2 – Drainage works will also include Dippenhall Road, from the junction with Doras Green Road to Upper Farm.

The works are programmed to start Monday 24th May 2021 and are expected to last for 7 weeks, during which time Doras Green Road will be closed throughout this period. Dippenhall Road will also be closed from 28th June 2021 for the last 2 weeks.

The above timescales are weather dependent, any significant changes to the scheduled dates will be made clear on the yellow sign boards located at the works limits.

Due to the current COVID-19 situation, works will be carried out ensuring safe working practices and social distancing measures are maintained at all times. A minimum of 2 metres will be kept between site operatives and members of the public, with the appropriate traffic management in place to prevent any interaction.

Hampshire
County Council

Highways Manager (HQ)
Richard Bastow

Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI

In order to avoid potential injury or damage, please do not walk across the carriageway during the works unless directed by a member of the workforce.

Thank you for your co-operation and if you need more information regarding these works, you can using any of the options below.
