

**THE HART DISTRICT COUNCIL (TEMPORARY ROAD CLOSURE)
(PALE LANE, WINCHFIELD) ORDER 2019**

Notice is hereby given that Hart District Council pursuant to arrangements made under Section 101 of the Local Government Act 1972 with Hampshire County Council in exercise of the powers of the said County Council and in exercise of the powers under Section 14(1) of the Road Traffic Regulation Act 1984 ("the Act"), and of all other enabling powers, has made the following Order:-

Reason for Order: The Council are satisfied that traffic on the road should be restricted or prohibited because works are being or are proposed to be executed on or near the road.

Effect of Order:

All vehicles will be prohibited from proceeding along that length of Pale Lane at the railway bridge, as indicated by traffic signs. The closure is necessary on safety grounds to allow for an overnight bridge examination on behalf of Network Rail.

Duration of Closure:

From 26th September 2019 for a period of 6 months or until the works are completed, whichever is the sooner. (Notwithstanding the above it is expected that the closure will be required for no longer than one night). The closure will be continuously enforced during the period specified.

Reasonable facilities will be provided to allow access to adjacent premises while the work is being carried out.

Alternative Route: As indicated by traffic signs.

If you have any queries regarding the above please contact Centurion Traffic Management on 01132 775 360 or Hampshire County Council on 0300 555 1388.
