

Volunteer – Edenbrook bike track maintenance

Hart's Countryside Service is seeking keen volunteers who want to be ambassadors for Edenbrook Country Park's bike tracks. We need your help to promote the safe use of the tracks. We also need people who want to get their hands dirty and help with practical track maintenance.

An interest in cycling/mountain biking and the countryside isn't essential. We also want to hear from anyone who enjoys team practical tasks generally.

Your contribution will be invaluable in helping our Countryside Services keep our very popular bike tracks open for the whole community to enjoy.

Training and equipment will be provided where needed.

Transport

The ability to transport yourself (either by public transport or in your own vehicle) might be an advantage in this role but is not essential.

Hours

To suit.

Role description

- Removing encroaching scrub
- Track repairs e.g. filling in holes
- Using tools
- Engaging with the public about bike safety on the tracks

Key skills/qualities

- Able to work independently or in pairs
- Ability to follow instructions
- Enjoy working in a team

Key qualities: friendly, problem-solver, reliable, enthusiastic, love of the outdoors

Key responsibilities

- Follow instructions and training to carry out the task effectively
- Work professionally and considerately
- Follow applicable Hart District Council policies e.g health and safety (risk assessments) and best practice
