Hart District Council – Communities Team Updates

Fleet Market x Here for Hart

We are working with Fleet Market to do a health fair 'take over' on **Saturday 12th July 9am-3pm**. This will be a great opportunity to promote the work of local health organisations to residents.

We have been in contact with selected stallholders so far (due to limited space) but still have space – so if you'd like to join as a stallholder and we've not been in touch, please let us know (hereforhart@hart.gov.uk). We'd particularly like to hear from any organisations who can offer 'on site' activities, screening or services.

If you have any leaflets or giveaways to hand out but can't come, please also get in touch as we will have a Here for Hart stall where we can share on your behalf.

Hart Community Safety Team

Stay Safe Online: Free Workshops for Older Internet Users

Hart Community Safety Team is offering a free, short, interactive online safety workshop designed to help vulnerable internet users, particularly older adults, stay safe online. It's a simple, engaging way to build confidence and stay secure online.

Workshops are available to individuals as well as groups such as social clubs, community organisations, and support groups. If your group would like to book a session, we would love to hear from you!

Don't miss out – learn how to stay one step ahead of online scammers. For more information or to arrange a workshop, please contact communitysafety@hart.gov.uk

Feature: Green and blue spaces in Hart

The benefits of getting out in nature have been well documented and are particularly useful for those that are feeling lonely or need support with their mental health. Recent research also suggests that those that spend more time in nature, are more likely to want to protect it from climate change.

A green space is open, undeveloped land with natural vegetation while a blue space has visible surface water such as lakes, canals and coastal waters. We are spoilt for choice in Hart for green and blue space and the structure of an organised group or activity can help motivate and enhance the experience by connecting with others.

Recently, I got to experience one of our local blue spaces and spent a long weekend on 'Teasel' with my family – a narrow boat hired from Odiham on the Basingstoke Canal (I recommend it if you are ever thinking of doing it!).

The following are some groups and organisations I've picked out from the directory – please share these with your clients / colleagues / family and make the most of our spaces this summer!

Runways End, Aldershot

www.hants.gov.uk/thingstodo/runwaysend

Runways End is an outdoor activity centre that sits beside the Basingstoke Canal in woodlands. They offer a range of adventurous activities such as caving, archery, canoe tours, abseiling, climbing, and bushcraft. Accommodation including camping is also available for families as well as larger groups.

They have developed a green social prescribing programme and are looking for local community organisations to work with. If you are interested, please get in contact with:

Hart's Community Garden, Edenbrook Country Park

Basingstoke Canal

The Basingstoke canal runs from West Byfleet in Surrey to the east, following a course of 32 miles through Woking, Brookwood, Mytchett, Ash, Fleet and Crookham, then Odiham, finally ending up at Greywell in Hampshire to the west. It has a rich history and many access points allow for walking on the tow path as well as access to the water (licenses are applicable).

There are many opportunities to get out on or next to the canal, here are some favourite picks:

Boat Hire and trips:

- Galleon Marine, Odiham, for small craft, electric boats, narrow boats and accessible boating:
<https://galleonmarine.co.uk/>
- Basingstoke Canal Society, Mytchett for small craft, boat trips and boat events: <https://basingstoke-canal.org.uk/boat-trips/about-trip-bookings-2/>

Canoe/SUP clubs and meet ups:

- Basingstoke Canoe Club, Basingstoke/Odiham: www.badpaddlers.org
- Basingstoke Canal Canoe Club, Mytchett: <https://b3c.org.uk>
- Blackwater Valley Canoe Club, Aldershot: <https://bvcc.org.uk>
- North Hampshire SUP meet ups, Fleet: www.facebook.com/NorthHantsSUP

Fishing on the canal is permitted most of the year, although you'll need any relevant license/permits: www.hants.gov.uk/thingstodo/basingstokecanal/onhetowpath/angling

Fleet & Crookham Welcome Club (previously BrendonCare)

As from 14 May 2025, Fleet & Crookham Welcome Club and our sister group Farnborough Welcome Club in Cove, will no longer be part of the BrendonCare Foundation who sadly had to close all but a few of their 90+ Hampshire social clubs.

Following discussions with members, the volunteers of both groups have agreed to take on a management role and keep the club running.

Both clubs which have been running for several years provide a safe, supportive and fun role for their multi-ability over 50s groups to meet up with friends to enjoy a chat over tea and cake or biscuits, do seated exercises, play table games or crafts, quizzes, various types of Bingo, followed by a more active game to finish. We sometimes have a speaker or singer, the U3A Ukelele band is very popular. The club members also enjoy going out for a meal or cream tea, Fleet Lions Christmas Concert and the Pantomime. (These trips were subsidised by BrendonCare in the past.)

Fleet & Crookham Welcome Club meet at the Guide Hall in Basingbourne Park, Basingbourne Road, Church Crookham on Wednesdays from 1.30pm - 3.30pm.

Farnborough Welcome Club meet from 2.00pm - 4.00pm on Thursdays, at the Blunden Hall, Blunden Road Cove.

Any help or advice would be appreciated.

Hartland Men's Shed

Hartland Men's Shed, has now celebrated its first anniversary having opened its doors in April 2024 and can look back on a busy, successful year. In that time, we have undertaken a number of projects for local schools, charities, individuals, businesses and local Rotary Clubs.

We are also "partnering" with local help groups, charities and institutions, preparing for and hosting activity days, where our facilities are used to make such things as bird boxes and bug houses.

Having recently been awarded a grant by Hart Council Countryside Grants, to create a Garden/Allotment, we are enhancing the facilities/activities we can offer.

This has enabled us to increase the membership and offer an alternative to carpentry. Therefore, we are seeking new members, keen growers, who are interested in gardening and would like to participate in the creation and use of the Garden/Allotment. Plans include a large Greenhouse, raised planting beds, wildflower planting and a patio/ seating area. The garden is located next to the Men's Shed, and we see the two activities operating in parallel.

We are also pleased to announce that we have negotiated a new 3-year lease for our premises with Berkeley Homes. Hartland Men's Shed are very grateful for their continued help and support.

As a Charity, we offer long term help and support to promote personal wellbeing and mental health, to men in our area. The Shed affords the opportunity to socialise, make new friends, learn and share skills and work on projects, either personal projects or one of the projects we are engaged to carry out.

Like all Charities we can only keep going with support and donations and if you would like to donate, be it financially or to donate unwanted equipment/tools/materials, please visit our website below for details.

The shed is located close to the new Hartland Village development and opening hours are 10:00-14:00 Mondays to Thursdays.

You are always welcome to pop in for a chat, tea, biscuits and to see the facilities.

Memberships are currently available for the Shed and new membership for the Garden/Allotment. You can apply or contact us via the Website below for details.
