Delivery of Nomination Papers

The Notice of Election will be published by Wednesday, 25 March 2026.

Nomination papers may be submitted after the publication of the Notice of Election, and up to the close of nominations at **4pm, Thursday, 9 April 2026**.

*****Please note that there is no discretion to extend this, or any other, deadline**.***

Completed nominations must be submitted by hand to someone from the Elections Team at the Elections Office, Civic Offices, Harlington Way, Fleet, Hampshire GU51 4AE. Nominations must not be submitted by email or by fax. Delivery by Royal Mail is also not permissible.

Candidates are advised to submit their nomination paper well in advance of the deadline, so that any errors/omissions can be amended.

Nomination papers are legal documents subject to inspection and challenge by other candidates and any elector. Candidates are advised to read the guidance notes carefully prior to the completion of the nomination papers, and to use blue or black ink.

Informal Checks

The Deputy Counting Returning Officer can, on request, check through the nomination papers, before they are formally submitted. The purpose of the informal check is to ensure that candidates have completed the paperwork fully with no omissions. It checks those sections of the paper that can be amended prior to formal submission.

All candidates are advised to have an informal check before the nomination deadline. Once a nomination paper has been formally submitted, it cannot be returned for amendment if the Deputy Counting Returning Officer determines that the nomination is not valid.

The informal check will be carried out by the Elections Team. Candidates or agents wishing to attend the Civic Offices for the check to be carried out in person, must contact Electoral Services to book an appointment. **This service will not be available on demand.**

Alternatively, scanned copies can be emailed to **nominations@hart.gov.uk** for an informal check. The nomination papers will be checked and the candidate or agent will be advised of the outcome by return of email. **Please note that nominations should not be emailed for checking after 5pm on the day before the close of nominations (i.e. not after 5pm, Wednesday, 8 April 2026).**

At the completion of the informal check, if there are omissions or errors in the areas checked, candidates will be advised of the areas for correction or completion. Where the original hard copies have been provided for checking, if there are no errors or omissions, the paper will be processed formally. If scanned copies have been emailed for checking, the candidate will be advised to deliver the hard copy by the submission deadline.

Candidates must note that the informal check is just that; it is informal and the details are not recorded. It is not a guarantee that papers will be accepted when submitted formally.

Informal Check – Areas Considered

The nomination form will be checked to ensure that:

- the electoral area, the Council name and the date of the election have been completed and are correct;
- the candidate's surname and other names have been entered, that the description, if used, matches those permitted;
- there are two subscribers' signatures and printed names on the paper;
- the Polling District letters are correct for the electoral area; and
- there is a number in each of the electoral number boxes.

The consent to nomination will be checked to ensure that:

- the electoral area, the Council name and the date of the election are completed and are correct;
- the name matches the name given on the other two papers (nomination paper and home address form);
- there is at least one qualification that remains undeleted (and matches those provided on the home address form);
- there is a date of birth recorded;
- the form is signed;
- the form is dated;
- the form includes a witness signature;
- the form includes a witness name;
- the witness details are the same as those on the home address form; and
- the disqualification and offence clauses are attached.

The home address form will be checked to ensure that:

- the electoral area and the date of election are completed and are correct;
- the name matches the name given on the other two papers (nomination paper and home address form);
- a home address has been given;
- a qualifying address has been given and the qualification reason a), b), c), or d) is stated and matches that given on the consent to nomination;
- the name and address of the witness on the candidate's consent to nominations is present; and
- where part 2 has been completed and the home address is not to be made public, that the relevant electoral area, the candidate's signature, and the date signed is present.

Informal check – Areas Not Considered:

The informal check will not:

- validate that any addresses given are correct postal addresses;
- correct any spelling mistakes;
- give an assurance that the subscribers are valid beyond a basic assurance that the paper has two subscribers and that the Polling District letters are valid for that electoral contest;
- validate grounds for qualification; or
- validate dates of birth.

Formal Determination of a Nomination

The formal determination involves a review of all the items from the informal check and additionally a check that the signature of each subscriber and their electoral number given on the paper corresponds to the name and the electoral number on the Electoral Register in force for nominations.

A check will also be undertaken to ensure that the subscribers have not subscribed to more candidates' nominations than there are vacancies.

A notice of the decision on the validity of the nomination will be sent to each candidate once the formal determination has been made.

Invalid Nominations

The Deputy Counting Returning Officer can only determine that the papers are invalid on two grounds:

1. that the particulars of the candidate or the persons subscribing the papers are not as required by law; or
2. that the paper is not subscribed as required.

If the nomination is determined to be invalid, the papers will be retained and candidates will need to submit a new nomination paper with a new set of subscribers. Candidates cannot provide additional, "top up" or "stand by" subscribers to be added to the paper in the event of one of the subscribers being invalid.

The decision of the Deputy Counting Returning Officer on the validity of the nomination paper is final and cannot be challenged other than by High Court ruling following the election.

Withdrawal of Nominations

The deadline for withdrawal of nominations for the elections is 4pm, Thursday, 9 April 2026 (the same as the close of nominations).

Inspection of Nomination Papers

Nomination papers are available for public inspection during office hours on any working day following the close of nominations, up to and including the day before polling day during normal working hours. Candidates wishing to inspect the nomination papers should make an appointment to attend the Civic Offices.

Inspection of the Home Address Forms is limited to validly nominated candidates in the same electoral area, their agent, or their proposer or seconder.

There is no right of objection to a local government election nomination.

Postal Votes

Postal votes will be despatched around 15 April 2026 to existing postal voters. New postal voters who apply between 1 April 2026 and 21 April 2026 will be sent their postal vote around 23 April 2026.

Opening sessions will be held at the Civic Offices every working day until polling day from Monday, 27 April. Sessions will start at 10.30am and will finish around 4.00pm. On Thursday, 7 May the opening session will instead start at 5pm at Hart Leisure Centre and then an additional opening session will be held from 9pm.

Please note that the opening sessions may finish sooner if all postal votes received have been opened. Opening sessions may also be cancelled if there are insufficient postal votes to open. Agents will be advised if any amendments to this schedule are made.

Candidates, their agents and one other person are permitted to attend the opening of the postal voters' ballot boxes. Please forward the details of who wish to attend to Vicci Pepper as soon as possible. Persons attending the postal vote proceedings must have in their possession a written notice of the relevant secrecy provisions relating to the opening of postal votes.
