To which part of the Neighbourhood Plan does your representation relate? Part document

Paragraph Number: 113

Policy Reference: SANG

Do you support, oppose or wish to comment on this paragraph? Support with modifications

If your reasons for support/opposition, or make other comments in the box below, including any specific changes you wish to see to the Plan. Please be as precise as possible.:

The Neighbourhood Plan should be modified to refer to the new strategic Suitable Alternative Natural Green Space (SANG) on land adjacent Eversley Road between Yateley and Eversley Cross which will provide a 16 hectare SANG but also ensure the open space and prohibit coalescence between the two settlements.

The application 20/02308/FUL was approved by PINS ref APP/N1730/W/21/3273529 dated 15th October 2021

The zone of influence/ mitigation of 4km incorporates substantial areas of Yateley Parish and Yateley village.

Reference to the SANG would make the Neighbourhood Plan more accurate, up-to-date, and complete.
