To which part of the Neighbourhood Plan does your representation relate? Part document

Paragraph Number:

Policy Reference: YDFNP2

Do you support, oppose or wish to comment on this paragraph? Have comments

Please give details of your reasons for support/opposition, or make other comments in the box below, including any specific changes you wish to see to the Plan. Please be as precise as possible and use a new form for comments on different policies/parts of the Plan.:

If Hart DC is to reach its goal of being "zero-carbon" by 2040 then building new houses that are not zero-carbon seems contradictory. So in Policy YDFNP2 would suggest that under point a) it is added: " such as to Passivhaus or BREEAM certification standards"

Also, under point b) it should be intimated that solar panels should form parts of the design of new properties.
