Thank you for consulting Historic England on the submission version of the Yateley, Frogmore and Darby Green Neighbourhood Plan. Historic England is the government's advisor on planning for the historic environment including advising on the conservation of heritage assets and champion good design in historic places. As such, our review of the plan is limited to those areas that fall within our remit and silence on other matters should not be treated as agreement or consent.

I am happy to confirm that, having reviewed the plan, we do not have any comments to submit to the examiner. We are pleased to see that several of the issues we raised at the pre-submission stage have been addressed and that the neighbourhood plan group have identified an ambition to update the conservation area appraisals and local list as a subsequent phase of work.

Our comments (or decision not to comment) are without prejudice to comments we may wish to make on individual planning applications within the Neighbourhood Plan area.

Please do not hesitate to contact me if you have any queries relating to our comments.

Yours faithfully

Robert Lloyd-Sweet
