Dear Sirs,

We are writing to say that we support the new evidence in the draft Neighbourhood Plan on the gaps between Crookham Village, Church Crookham, Fleet and Dogmersfield (Policy NE01) in it's entirety.

The gaps are essential to prevent coalescence with these neighbouring settlements and are crucial to maintaining the character of Crookham Village and its setting.

We regularly use the footpaths which cross the gaps, and the open views and sense of "village" are very important to us.

Without the gaps, the character of Crookham Village will be lost.

Yours faithfully,

Andrew Hillyer & Sarah Callaghan
