**Consultations on the emerging Hart Local Plan and the scale of objections to the urban extension planning applications at both Pale Lane, Fleet and West of Hook clearly demonstrate the overwhelming desire of Hart residents to keep communities within Hart separate.**

**The proposed gaps keep Crookham Village separate from Fleet, Church Crookham and Dogmersfield thereby reflecting the wish of the community. NPPF para 16c states that plans should “be shaped by early, proportionate and effective engagement between planmakers and communities, local organisations, businesses, infrastructure providers and operators and statutory consultees;”. Thus to not include the gaps in the Crookham Village Neighbourhood Plan would be counter to para 16c of the NPPF with respect to communities.**

**The additional evidence provided clearly reinforces this. It clearly describes the reasons for designating the gap. In particular the landscape evidence clearly shows how this diverse countryside provides an openness that make the footpaths attractive for leisure use and also distinguishes Crookham Village from more urban Fleet and Church Crookham. Further, the attractiveness of both Crookham Village and Dogmersfield Conservation areas would be degraded without the gap.**
