Dear Katie Bailey

Thank you for consulting Natural England on the additional document associated with Policy NE01 of the Crookham Neighbourhood Plan.

Natural England currently have no specific comments to make on this document. We do not view this policy as likely to have an impact upon areas without our remit.

If the Neighbourhood Plan changes in a way which significantly affects the natural environment, for example through allocating housing development sites, then Natural England should be consulted again.

Many thanks

**Miranda Petty**
