To whom it may concern,

I am in full support of the Neighbourhood Plan for the following reasons:

1. Policy NE01, from having completed work on the roof of The Forge House it is very clear that maintaining the gap is critical to allow the village to remain as a village.
2. The village is the last surviving village in Fleet. It would be of great shame to lose a village which has been there for hundreds of years.
3. The countryside surrounding the village is of great natural importance. The wildlife in this area is unique and it is essential that we maintain this conservation area
4. Crookham Village we be unable to support or accommodate any additional changes, this is covered well in the neighbourhood plan.

Many Thanks,

Lucy
