Dear Mr Jackson,

Statement of Neighbourhood Area Designation for Yateley Town Council

Yateley Town Council request permission to designate the area within the current boundary of Yateley Civil Parish as the 'neighbourhood area' from which it will undertake a Neighbourhood Plan. The area is as detailed on the enclosed map. The area was agreed at a public Neighbourhood Plan steering group meeting held on 06 September 2017.

Yateley Town Council believes this area of designation to be appropriate as it consists of the whole area currently under the control of Yateley Town Council, as outlined in 61G(3)(a) of the 1990 Act, and further by Schedule 9 of the 2011 Localism Act.

Yateley Town Council is categorised as a 'relevant body' to undertake the designation of a neighbourhood area as defined under Section 61G of the 1990 Act; a 'relevant body' to designate a neighbourhood area is defined in full by 61G(2)(a) in Schedule 9 of the 2011 Localism Act.

Yours sincerely,

Jane Biscombe
Town Clerk

Richard Quarterman
Chair of the Neighbourhood Planning Steering Group
