Part B – Representations

The Council is consulting on:

- Preliminary Draft Charging Schedule (setting out the proposed CIL rates)

You may also comment on the supporting evidence base:

- CIL Viability Assessment September 2021
- Hart Infrastructure Delivery Plan Update October 2021
- Infrastructure Funding Gap Assessment October 2021

Your Comments

The CIL Rates look on the low side when compared to other comparable Councils . Also given the infrastructure changes that are needed to mitigate the impact of any new development rates need to be higher to reflect the cost to the Council.

Please continue on a separate sheet if necessary or append your response
