

Traveller Development Plan Document

Site Submission Form

Hart District Council is preparing a **Traveller Development Plan Document** (DPD) which will be part of the Local Plan. The DPD will identify land to accommodate pitches for Gypsies and Travellers, and plots for Travelling Showpeople. As part of this process, we are undertaking a '**call for sites**'.

Please use this form if you wish to suggest a site for Gypsies and Travellers or Travelling Showpeople. At this stage we are interested in all site options, within settlements or within the countryside, stand-alone sites and extensions to existing sites. All submitted sites will be assessed by the Council.

The deadline for site submissions is Monday 16 December 2019.

In completing your form, please

- attach a map outlining the location and precise boundaries of the whole site and the part which may be suitable for accommodating pitches/plots. Without this mapped information we are unable to register the site.
- Use a separate form for each site.
- Note that we cannot accept anonymous forms. Name and contact details must be provided
- Note the final choice of sites to be allocated for development will be determined through the plan-making process. Submitting a site to us does not guarantee that it will be allocated for development.

Forms should be returned by email to planningpolicy@hart.gov.uk or to:

GENERAL DATA PROTECTION REGULATION

The personal information collected as part of this call for sites exercise will be processed by the Council in accordance with the General Data Protection Regulation. The purposes for collecting this data are to:

1. Ensure that submissions made are attributable to named individuals or organisations at a postal address;
2. Enable us to acknowledge receipt of any representation that you make;
3. Seek any clarity regarding the information provided in your submission (where necessary);
4. Engage as appropriate at future stages of the DPD.

Any submissions received may be published on the Council's website and made available for public viewing at the Council Offices, Harlington Way, Fleet. Only the submissions themselves and names/organisations will be published. Personal details such as telephone numbers, emails and private addresses will not be published.

The Council's overarching privacy statement can be read [here](#).

Disclaimer

Please note the purpose of this work is to assess the potential to accommodate gypsies and travellers and/or travelling showpeople, and to understand which sites in Hart District could be available. It is a technical piece of evidence. Submitting a site for consideration does not guarantee that it will be found suitable or that it will be allocated for development as part of the emerging Development Plan Document.

All sites submitted will undergo a rigorous assessment against specific criteria to assess their potential suitability.

Any sites that are included within the Development Plan Document would still be required to follow the normal planning procedures in securing planning permission.

All sites submitted form part of the evidence base for the Development Plan Document and may be included in future public consultation exercises and therefore cannot be kept confidential.
