Good Afternoon Susie,

Following internal conversations with Simon, I can confirm that subject to the appropriate approvals; Hampshire County Council as the Lead Local Flood Authority has agreed to delegate powers to Hart District Council, under the Flood and Water Management Act 2010 section 14 (A) 1, to carry out Flood Management Works in the field adjacent to Ashley Lodge, Phoenix Green. This is to enable the District Council to deliver the proposed Flood Alleviation scheme to protect Phoenix Green from flooding.

If you have any further queries, please do not hesitate to contact me on the information below

Kind Regards
