I support this proposal because of the benefits to the whole village. In its current status as privately owned, the field benefits no-one - the general public cannot even see it.

The extra parking afforded close to the school would be a huge benefit.

I believe that those neighbours of the site who apply the label 'Local green space' need to be disqualified from having input into this decision. The needs of the whole village need to be considered, not just theirs. They need to be called out for not considering the 85% of those who were surveyed who would like to see the site used as additional public space in our beautiful village. We don't need NIMBYS!
